### ABOUT THE FILM:

Explore the fight against Asian American hate following the March 2021 mass shootings in Atlanta.

Following the aftermath of the March 2021 mass shootings at three spas in Atlanta, this new film chronicles how the Asian American community came together to fight back against hate.

Offering a conversation about race, class and gender, the film takes a deep dive into this critical moment of racial reckoning, exploring the struggles and triumphs, progress and setbacks, discrimination and achievements of AAPI communities. The film also depicts the importance of building political power and how that is tied to stopping Asian hate.
